

Mari Kleemola

Development Manager
Tampere University

Mari Kleemola is Development Manager at the Finnish Social Science Data Archive, the national Service Provider for CESSDA ERIC, hosted by Tampere University. Mari has 25+ years of experience in digital data preservation and open science. She has contributed to building EOSC in several EU projects on topics related to metadata, FAIR, repository certification and trust. Currently she is active in the FIDELIS project, chairs the CESSDA Trust and Landscape WG, is a member of the EOSC TF on FAIR, and the EDDI Conference Program Committee.
