

Fermín Serrano Sanz

RIECS-Concept Coordinator
Fundación Ibercivis

Fermín Serrano Sanz is an expert in citizen science, currently coordinating the conceptualization of the Research Infrastructure for Excellent Citizen Science in Europe (RIECS-Concept, 2025–2027) and the 1st Citizen Science Conference in Spain (2027). Former Executive Director of the Ibercivis Foundation and Commissioner for Knowledge Economy and Innovation in Aragon, he coordinated the White Paper on Citizen Science for Europe (Socientize, 2012-2014), launched the Spanish (ciencia-ciudadana.es) and European (citizenscience.eu) portals, and chaired ECSA's Policy, Strategy, Governance and Partnerships Working Group (2024-2025). His work bridges science, society, technology, sustainability and the arts, supporting public engagement in science through research, mentoring and evaluation.
