

Jan Meijer

Senior International Strategy
Advisor
Norwegian Agency for Shared
Services in Education and Research

Jan Meijer is senior international strategy advisor for Sikt, the Norwegian Agency for Shared Services in Education and Research (www.sikt.no). Educated as a software engineer, he's been an active contributor to collective European and global NREN service development and innovation for more than 25 years in a wide range of fields including cyber security, storage, Trust & Identity, eLearning, cloud infrastructure and EOSC. Jan leads the governance and sustainability pillar of the EOSC-FIDELIS project and participates in EOSC-CONNECT. He is a member of GÉANT's project planning committee and a former co-chair of the EOSC Association's Financial Sustainability Task Force.
