University of Freiburg

PEARLS days, 22-24 September 2026

24.09.2026

PEARLS

Precision in Energy-aware AI Research
for Low-carbon Solutions

With funding from the:

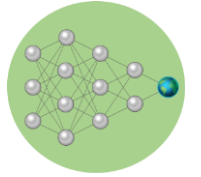

Federal Ministry
of Research, Technology
and Space

universität freiburg

Thank you

- For interesting talks and engaged discussions
 - Great to see the status and initial work within PEARLS
 - Also good to see the interest from outside of PEARLS
- To Aurélie Mathar
 - For helping with organisational questions
- To Aurélie Mathar and Jürgen Tobias
 - For preparing the coffee breaks so wonderfully
- Looking forward to our next meeting in person – to be decided where and when
