Session Program

10–11 Dec 2026

Quantum Correlations in Neutrino Oscillations

Quantum Correlations in neutrino oscillations

Thursday 10 December

10:50

Quantum Correlations in neutrino oscillations

Session

10:50–11:20

Quantumness measures and quantum resources in neutrino oscillations

Speaker
Dong Wang

11:20–11:50

Quantum correlations and BSM signatures

Speakers
Dr Khushboo Dixit, Khushboo Dixit

11:50–12:15

Quantum complexity as a possible selection rule for oscillation parameters

Speaker
Soebur Razzaque

12:15
