

Session Program

21-22 Oct 2019

nuSTORM - the next steps

Physics Case

CERN, 774/R-013
CERN BE Auditorium; Preveessin

Monday 21 October

14:00

Physics Case

Session | **Location:** CERN, 774/R-013, CERN BE Auditorium; Preessin

14:00–14:25

Current Status of Sterile Neutrinos

Speaker

Dr Ivan Esteban

14:25–14:50

nuSTORM as a test bed for Muon Collider R&D

Speaker

Manuela Boscolo

14:50–15:10

Theoretical challenges in predicting neutrino-nucleus reactions

Speaker

Noemi Rocco

15:10–15:30

Neutrino cross sections and neutrino physics

Speaker

Patrick Huber

15:30
