

Mini-workshop on automating Higgs and BSM calculations

Tuesday 10 October 2017 - Thursday 12 October 2017

Other Institutes

Scientific Programme

This workshop aims to define new directions for automating Higgs, and more generally BSM, calculations in general models.

LABORATOIRE DE PHYSIQUE
THEORIQUE ET HAUTES ENERGIES

We will begin on the afternoon of Tuesday 10th October and finish at lunchtime on Thursday 12th October 2017.

There will be discussion sessions and a few talks by invited participants.
