

# **Workshop on Automatic Phenomenology**

**Tuesday 7 June 2022 - Thursday 9 June 2022**

**Institut Henri Poincare**

## **Scientific Programme**

# LPTHE

This workshop aims to define new directions for automating BSM calculations in generic models.

It will take place in room 5 of the Institut Henri Poincaré. We will begin on the afternoon of Tuesday 7th June and finish at on the evening of 9th June. The room will also be available on the morning of 10th June for those leaving on Friday.

There will be discussion sessions and a few talks by participants.
