

Session Program

22 November 2019

Fast timing silicon pixel detectors for new applications: proton therapy

Afternoon session

The University of Manchester, Bell-Burnell Lecture Theatre, Schuster Building Annexe
Brunswick Park, Manchester, M13 9PL

Friday 22 November

14:00

Afternoon session

Session |

Location: The University of Manchester, Bell-Burnell Lecture Theatre, Schuster Building Annexe, Brunswick Park, Manchester, M13 9PL

14:00–14:25

Compton camera**Speaker**

Daniel Judson

14:30–14:55

Dose rate measurements in proton therapy**Speaker**

Prof. Ran MacKay

15:00–15:25

Prompt gamma imaging in proton therapy**Speaker**

Dr Stefanos Paschalis

15:30
