Report on the 2016 Canadian Conference for Undergraduate Women in Physics (CCUWiP) and partnership development with the American Physical Society organization

Tuesday 14 June 2016 13:45 (15 minutes)

The third edition of the Canadian Conference for Undergraduate Women in Physics (CCUWiP) series was held at Dalhousie University on 8-10 January 2016. A conference report for this 2016 edition will be presented as well as statistics from the past three editions held in Canada so far. The second part of this talk will present the status of the ongoing work to develop a long-term partnership with the US American Physical Society CUWiP organization.
