Report on the 2017 Canadian Conference for Undergraduate Women in Physics (CUWiP) and development of APS-CAP partnership

Wednesday 31 May 2017 14:45 (15 minutes)

The fourth edition of the Canadian Conference for Undergraduate Women in Physics (CUWiP) series was held at McMaster University on 13-15 January 2017. A conference report for this 2017 edition will be presented along with historical statistics from the past conferences held in Canada so far. The second part of this talk will report on the developing partnership between CAP and the US American Physical Society CUWiP organization.

Authors: VACHON, Brigitte (McGill University (CA)); SMOLINA, Anastasia (McMaster); SCORA, Jennifer (McMaster); MULHOLLAND, Courtney (McMaster); WINCH, Harrison (McMaster); MURDOCH, Dana (McMaster); CORMIER, Sara (McMaster); GROND, Jasper (McMaster University); CHAPMAN, Mindy (McMaster University)

Presenter: VACHON, Brigitte (McGill University (CA))

Session Classification: W3-1 Teaching Physics to a Wider Audience (DPE/CEWIP) | Enseigner la physique à un auditoire plus vaste (DEP/CEFEP)

Track Classification: Women in Physics / Femmes en physique (CEWIP-CEFEP)
