Report on the 2018 Canadian Conference for Undergraduate Women in Physics (CUWiP) and evolution of an APS-CAP partnership

Wednesday 13 June 2018 12:15 (15 minutes)

The fifth edition of the Canadian Conference for Undergraduate Women in Physics (CUWiP) series was held at Queen's University on 12-14 January 2018. A conference report for this 2018 edition will be presented. The second part of this talk will report on the evolution of a partnership between CAP and the US American Physical Society (APS) as part of the organization of this conference series.
