

Session Program

6-11 Jun 2021

**Canadian Association
of Physicists**

**Association canadienne
des physiciens et physiciennes**

2021 CAP Virtual Congress / Congrès virtuel de l'ACP 2021

***M1-9 Dark matter experiment and Channel of
detection I (PPD) / Expérience sur la matière
sombre et canal de détection I (PPD)***

Underline Conference System

Sunday 6 June

11:45

M1-9 Dark matter experiment and Channel of detection I (PPD) / Expérience sur la matière sombre et canal de détection I (PPD)

Session | **Location:** Underline Conference System | **Convener:** Simon Viel

11:45-12:10

(I) Challenges for Direct Dark Matter Detection Searches

Speaker

Dr Silvia Scorza

12:10-12:20

Status of the NEWS-G dark matter experiment first run data analysis and installation at SNOLAB

Speaker

Alexis Brossard

12:20-12:30

Current Status of DEAP-3600

Speaker

Mark Stringer

12:30
