Why be a scientific entrepreneur?

Tuesday 10 June 2025 10:45 (30 minutes)

Dr. Pieter Cullis will talk about some of the work that he and co-workers have done that led to the Pfizer BioNTech Covid-19 vaccine from the perspective of being a scientific entrepreneur, insights from spending most of one's career working half-time in academia and half-time in companies (both start-ups and not-for-profits), as well as some of the basic science involved.
