Countering Bias: Bridging the Wikipedia Gender Gap

Wednesday 11 June 2025 10:15 (1h 45m)

Come learn how to add Wikipedia pages about women and gender diverse physicists. With help from Ingenium, Canada's museums of science and innovation, we'll learn how to begin pages for a gender diverse physicist without a page or how to expand an incomplete page. All are invited to come and celebrate gender minorities in physics: participate in person or online! Space is limited; pre-registration is required, please register here: bit.ly/DGEPwiki-register2025

Presenter: MAMMEI, Juliette
