

Session Program

2-6 Sept 2024

Eurostrings 2024

Review talk

University of Southampton
Highfield Campus Southampton SO17 1BJ

Monday 2 September

09:15

10:15

Review talk

Session | **Location:** University of Southampton, B46/LTA | **Convener:** [Chair: Kostas Skenderis]

09:15-10:15

The dual of semi-classical gravity

Speaker

Jan de Boer

Tuesday 3 September

09:00

10:00

Review talk

Session | **Location:** University of Southampton, B46/LTA | **Convener:** [Chair: Diego Trancanelli]

09:00-10:00

Review talk on Holography in asymptotically flat spacetime

Speaker

Laura Donnay

Wednesday 4 September

09:00

10:00

Review talk

Session | **Location:** University of Southampton, B46/LTA | **Convener:** [Chair: Silvia Penati]

09:00-10:00

Cosmological correlators: symmetries, singularities, synergies

Speaker

Paul McFadden

Thursday 5 September

09:00

10:00

Review talk

Session | **Location:** University of Southampton, B46/LTA | **Convener:** [Chair: Nils Obers]

09:00-10:00

On recent developments in formal SQFT: a duality perspective

Speaker

Shlomo Razamat

Friday 6 September

09:00
10:00

Review talk

Session | **Location:** University of Southampton, B46/LTA | **Convener:** [Chair: Neil Lambert]

09:00-10:00 **AdS String Amplitudes and their high energy limit**

Speaker
Luis Fernando Alday
