Particle Physics Undergraduate Teaching

New staff teaching modules in 2014-15 Less than 5 years teaching course More than 5 years teaching course

- 1st Year:
 - Quarks & Leptons (S2, MOMD)
 - Intro to PP & Cosmology (S2, half module)
- 2nd Year:
 - Particles and Nuclei (\$1, half module)
 - Neutrinos (S2, half module)
- 3rd Year:
 - Particle Physics (S2)
 - Particle Physics Group Studies (S2)

Nigel Watson, Juraj Bracinik, Chris Hawkes

John Wilson

Nigel Watson

Alan Watson

Nigel Watson

Evgueni Goudzovski

- 4th Year:
 - Current Topics in Particle Physics (S1)
 Cristina Lazzeroni
 - Experimental Particle Physics Techniques (S1) Chris Hawkes
 - Particle Physics projects (S1+S2) various

Numbers of Physics with Particle Physics & Cosmology students 2014-15: (MSci, BSc): 1st year (11,1); 2nd year (13,4); 3rd year (10,2); 4th year (7,-)
