

## **Session Program**

**25 April 2022**

# **ECR Forum on Future Colliders**

## ***Physics Opportunities and Existing Anomalies***

Edgbaston Park Hotel, Corelli and Lodge rooms  
The University of Birmingham Edgbaston Birmingham B15 2TT United Kingdom

## Monday 25 April

11:05

### Physics Opportunities and Existing Anomalies: Physics Opportunities and Existing Anomalies

**Session** |**Location:** Edgbaston Park Hotel, Corelli and Lodge rooms, The University of Birmingham Edgbaston Birmingham B15 2TT United Kingdom |**Convener:** Matthew William Kenzie

11:05-11:20

#### Review of Physics Landscape

**Speaker**

Mika Anton Vesterinen

12:00

11:20-12:00

#### Discussion Session
