Sat, June 17

2:30 PM

String and Quantum Gravity

Session | Location: Mount Allison University, Dunn 113, 67 York St., Sackville, New Brunswick | Convener: Prof. Manu Paranjape

14:30 - 15:00 How to recover your homework from a black hole

Speaker
David Wakeham

15:00 - 15:30

Modeling Late-Time Tails for Scalar Perturbations of Quantum Corrected Black Holes

Speaker
Scott Shaw

3:30 PM

4:00 PM

String and Quantum Gravity

Session | Location: Mount Allison University, Dunn 113, 67 York St., Sackville, New Brunswick | Convener: Prof. Manu Paranjape

16:00 - 16:30 Scalar cosmological perturbations from full quantum gravity

Speaker
Dr Luca Marchetti

16:30 - 17:00 Classical-Quantum Approximation for Bipartite Quantum Systems

Speaker
