

Session Program

19-21 Jul 2023

**"P-RAD 2023" European Workshop on
Perovskite Radiation Detectors**

Session 5

Friday 21 July

09:00

Session 5

Session | **Location:** Centro Residenziale Universitario Di Bertinoro, Italy

09:00–09:30

Understanding and developing low-dose halide perovskite X-ray detectors

Speaker

Prof. Sam Stranks

09:30–10:00

Perovskite research at Freiburg

Speaker

Michael Fiederle

10:00–10:20

Perovskites in porous networks for X-ray detection

Speaker

Dr Miguel Anaya

10:30
