

Session Program

8-11 Apr 2025

JENAS 2025

Technology and Detector R&D

Harwell Campus, Didcot, Oxfordshire, ESA Conference Centre

Wednesday 9 April

16:00

Technology and Detector R&D: Technology and Detector R&D

Session | **Location:** Harwell Campus, Didcot, Oxfordshire, ESA Conference Centre

16:00–16:30 **Detector R&D in nuclear physics**

Speaker

Dr Marc Herve Rene Labiche

16:30–17:10

Round table on the future needs for detector R&D and technology transfer

Speakers

Dr Marc Herve Rene Labiche, Peter Krizan, Pol Forn, Roxanne Guenette, Thomas Bergauer

17:10
