

Session Program

8-11 Apr 2025

JENAS 2025

Building the Future together

Harwell Campus, Didcot, Oxfordshire, ESA Conference Centre

Thursday 10 April

09:00

Building the Future together

Session | **Location:** Harwell Campus, Didcot, Oxfordshire, ESA Conference Centre

09:00–09:30

Open questions in fundamental physics (5-10 year perspective)

09:30–10:00

Detector technology challenges to realise our scientific ambitions

10:00–10:30

Diversity & Inclusion in astroparticle, nuclear and particle physics

10:30–11:00

Early Career Researchers (PP & NP input)

11:00
