

THALES SERVICES NUMÉRIQUES (TSN) SPACE ACTIVITIES WITH A SPECIAL FOCUS ON SST ACTIVITIES.

Philippe Moreira and Alex Nardi, TSN

This presentation will give an overview of space activities at TSN, the France based digital service company in charge of addressing critical systems within Thales Group.

A special focus will be brought into TSN FDS and SST expertise, in the scope of the Stardust Conference:

- The FDS with PATRIUS FD library and SIRIUS FDS centre for French Space Agency, CNES
- The SST (Space Traffic Management and Space Environment Management) with our past and ongoing activities : SST dedicated software and a EU-SST study

Philippe Moreira, TSN Program Manager, and Alex Nardi, TSN technical leader, will be speakers. The presentation will consist in approx. 30 slides.
