

Session Program

12-16 Sept 2011

PSD9: The 9th International Conference on Position Sensitive Detectors

Advances in Gas Based Detectors

Thursday 15 September

17:10

Advances in Gas Based Detectors

Session | **Convener:** Prof. Philip Patrick Allport

17:10–17:30

Development of spark-protected micropattern gaseous detectors with resistive electrodes

Speaker

Prof. Vladimir Peskov

17:30–17:50

The ARGONTUBE, a R&D liquid Argon Time Projection Chamber

Speaker

Dr Christoph Rudolf Von Rohr

17:50
