

Session Program

7-12 Sept 2014

PSD10: 10th International Conference on Position Sensitive Detectors

Session 16: Gas-based and Photon Detection Systems

University of Surrey
Guildford, UK

Friday 12 September

11:00

Session 16: Gas-based and Photon Detection Systems

Session | **Location:** University of Surrey, AP1&2, Guildford, UK

11:00-11:20

The TORCH PMT: A close packing, multi-anode, long life MCP-PMT for Cherenkov applications

Speaker

Thomas Conneely

11:20-11:40

The kaon identification system in the NA62 experiment at CERN SPS

Speaker

Bozydar Wrona

11:40
