

Session Program

7-12 Sept 2014

PSD10: 10th International Conference on Position Sensitive Detectors

Session 14: Applications in Life Sciences, Medicine and Biology

University of Surrey
Guildford, UK

Thursday 11 September

16:10

Session 14: Applications in Life Sciences, Medicine and Biology

Session | **Location:** University of Surrey, AP1&2, Guildford, UK

16:10–16:50

(Invited) Energy dependence of detectors for 3D dosimetry of light ion beams

Speaker

Hugo Palmans

16:50–17:10

PGRIS: Towards portable Compton camera imaging

Speaker

Dr Samantha Colosimo

17:10–17:30

Dual-energy mammography with a pixellated spectroscopic detector

Speaker

Silvia Pani

17:30–17:50

ProSPECTus: A Compton Camera For Medical Imaging

Speaker

Amina Patel

17:50
