

**Session Program**

**18 May 2020**

**10th FTEC Workshop**

***FTEC2019: Electrical Engineering***

## Monday 18 May

11:20

### **FTEC2019: Electrical Engineering**

#### **Session**

11:20–11:25

#### **Supervision and trigger distribution units for magnet protection (FTEC2019-02)**

##### **Speaker**

Guzman Martin Garcia

11:25–11:30

#### **Qualification of electrolytic capacitors for the development of quench protection systems of superconducting magnets (FTEC2019-03)**

##### **Speaker**

Josep Guasch Martinez

11:30
