

Session Program

18 May 2020

10th FTEC Workshop

FTEC2019: Control Systems/Computing

Monday 18 May

12:00

FTEC2019: Control Systems/Computing

Session

12:00-12:05

Validation and verification of industrial control systems (FTEC2019-11)

Speaker

Ignacio David Lopez Miguel

12:05-12:10

Mathematical Geodetic Observation Modelling and Testing (FTEC2019-13)

Speaker

Monica Coppo Frias

12:10-12:15

Full-stack Software Engineering for internal applications (FTEC2019-21)

Speaker

Nahuel Verdugo Reviglione

12:15
