

Session Program

11 February 2021

FTEC 2018 trainees farewell

FTEC 2018: Electrical Engineering

Thursday 11 February

11:05

FTEC 2018: Electrical Engineering

Session

11:05-11:10

Electronic/Electrical Engineer working on the Development of Quench Protection Systems for Superconducting Magnet Circuits (REF278W)

Speaker

Miguel Leon Lopez

11:10-11:15

Test engineer for superconducting magnets and superconducting links (REF285X)

Speaker

Elena Fernandez Mora

11:15
