

Session Program

22 June 2022

14th FTEC Workshop (on site + remote)

FTEC 2021: Electrical Engineering

CERN, 30/6-019

Wednesday 22 June

11:40

FTEC 2021: Electrical Engineering

Session | **Location:** CERN, 30/6-019**11:40-11:50** **High Field Magnet short model development and construction****Speaker**

Joan Baptista Rico Orero

11:50-12:00 **Dimensional control for High Field Magnet short model development****Speaker**

Pablo Gomez Sanchez

12:00-12:10 **Studies for the LHC Injection Kicker Magnets****Speaker**

Miguel Diaz Zumel

12:20
