

Session Program

22 June 2022

14th FTEC Workshop (on site + remote)

FTEC 2021: Electronics Engineering

CERN, 30/6-019

Wednesday 22 June

14:40

FTEC 2021: Electronics Engineering

Session | **Location:** CERN, 30/6-019

14:40–14:50

Development of hardware and software for Ethernet enabled data acquisition cards deployed in quench protection systems

Speaker

Maria Murillo Moya

14:50
