

Session Program

24-26 Apr 2019

ENSAR2 workshop: GEANT4 in nuclear physics

Underground experiments

Other Institutes

CIEMAT Main auditorium - building 1 Avda. Complutense 40 28040 Madrid Spain

Friday 26 April

10:20

Underground experiments

Session |

Location: Other Institutes, CIEMAT Main auditorium - building 1 Avda. Complutense 40 28040 Madrid Spain |

Convener: Makoto Asai

10:20-10:40

Underground Experiments

Speaker

paolo agnes

10:40

11:10

Underground experiments

Session |

Location: Other Institutes, CIEMAT Main auditorium - building 1 Avda. Complutense 40 28040 Madrid Spain |

Convener: Makoto Asai

11:10-11:30

Development of neutron detectors for key astrophysical nuclear reactions

Speaker

Javier Balibrea Correa

11:30-11:50

Background simulation of the SABRE experiment

Speaker

Dr Giulia D'Imperio

11:50
