

Session Program

1-2 Jun 2023

From Hadrons to Stars and the Cosmos: A tribute to Ricardo Vázquez

QCD and hadronic interactions

Facultade de Física, Universidade de Santiago de Compostela, Aula Magna

Friday 2 June

10:00

QCD and hadronic interactions

Session | **Location:** Facultade de Física, Universidade de Santiago de Compostela, Aula Magna

10:00–10:30

String percolation and cosmic rays; Entanglement of initial partons and early thermalization

Speaker

carlos pajares

10:30–11:00

Holger Gies (Zoom)

Speaker

Holger Gies

11:00–11:30

The formation time of photons, gluons and mires (turberas)

Speaker

Xabier Feal

11:30
