Session Program

Oct 18 – 22, 2021

The 2021 School on the Physics of Baryons (Baryons-21_School)

Electromagnetic and weak interactions

Seville, Virtual
On-line school

Wed, October 20

1:00 PM

Electromagnetic and weak interactions

Session | **Location:** Seville, Virtual, On-line school

1:00 – 2:45 PM **Photo- and electro-couplings of nucleon resonances**

Speaker
Victor Mokeev

2:45 PM

3:15 PM

Electromagnetic and weak interactions

Session | **Location:** Seville, Virtual, On-line school

3:15 – 5:00 PM **Dynamical Coupled Channels theory for nucleon resonances**

Speaker
Michael Doring

5:00 PM
