

Session Program

18-22 Oct 2021

**The 2021 School on the Physics of Baryons
(Baryons-21_School)**

Electromagnetic and weak interactions

Seville, Virtual
On-line school

Wednesday 20 October

13:00

Electromagnetic and weak interactions

Session | **Location:** Seville, Virtual, On-line school

13:00–14:45

Photo- and electro-couplings of nucleon resonances

Speaker

Victor Mokeev

14:45

15:15

Electromagnetic and weak interactions

Session | **Location:** Seville, Virtual, On-line school

15:15–17:00

Dynamical Coupled Channels theory for nucleon resonances

Speaker

Michael Doring

17:00
