

Session Program

18-22 Oct 2021

**The 2021 School on the Physics of Baryons
(Baryons-21_School)**

Structure of Hadrons

Seville, Virtual
On-line school

Thursday 21 October

13:00

Structure of Hadrons

Session | **Location:** Seville, Virtual, On-line school

13:00–14:45

Generalized Parton Distributions (GPDs) of Pseudo-Goldstone Bosons and of the proton

Speaker

Cédric Mezrag

14:45

15:15

Structure of Hadrons

Session | **Location:** Seville, Virtual, On-line school

15:15–17:00

Experimental access to Pion and Kaon Structure functions, and their phenomenological implications

Speaker

Tanja Horn

17:00
