

Probing Gravothermal Collapse of Dark Matter Halos: Observational Insights

Tuesday 25 March 2025 15:30 (15 minutes)

I will discuss the probing of gravothermal collapse of dark matter halos through stellar streams and strong lensing systems.

Author: YU, Hai-Bo (University of California Riverside)

Presenter: YU, Hai-Bo (University of California Riverside)

Session Classification: SESSION 8: Dark Matter Theory
