

## **Session Program**

**20-22 Nov 2017**

# **The XXV European Synchrotron Light Sources Workshop**

***Reports ("Detailed view" shows  
contributions)***

TU Dortmund University, Erich Brost Institute, Conference Room  
Otto-Hahn-Straße 2 44227 Dortmund Germany

# Wednesday 22 November

10:30

## Reports ("Detailed view" shows contributions)

**Session** |

**Location:** TU Dortmund University, Erich Brost Institute, Conference Room, Otto-Hahn-Straße 2 44227 Dortmund Germany

10:30–10:50    **Non-linear beam dynaimics at the Karlsruhe Research Accelerator**

**Speaker**

Alexander Papash

10:50–11:10  
**Beam dynamics measurements with fast acquisition BPMs and AC correctors at ALBA**

**Speaker**

Gabriele Benedetti

11:10–11:30  
**Sextupole calibration via off-energy response matrix and higher-order dispersion**

**Speaker**

Nicola Carmignani

11:30–11:50    **Lattice studies for the SOLEIL upgrade**

**Speaker**

Alexandre Loulergue

11:50
