

Session Program

20-22 Nov 2017

tu technische universität
dortmund

The XXV European Synchrotron Light Sources Workshop

***Reports ("Detailed view" shows
contributions)***

TU Dortmund University, Erich Brost Institute, Conference Room
Otto-Hahn-Straße 2 44227 Dortmund Germany

Wednesday 22 November

10:30

Reports ("Detailed view" shows contributions)

Session |

Location: TU Dortmund University, Erich Brost Institute, Conference Room, Otto-Hahn-Straße 2 44227 Dortmund Germany

10:30-10:50

Non-linear beam dynamics at the Karlsruhe Research Accelerator

Speaker

Alexander Papash

10:50-11:10

Beam dynamics measurements with fast acquisition BPMs and AC correctors at ALBA

Speaker

Gabriele Benedetti

11:10-11:30

Sextupole calibration via off-energy response matrix and higher-order dispersion

Speaker

Nicola Carmignani

11:30-11:50

Lattice studies for the SOLEIL upgrade

Speaker

Alexandre Loulergue

11:50
