

## **Session Program**

**2-9 Mar 2017**

## **Arbeitstreffen Kernphysik 2017**

### ***Main Speaker***

"Haus des Gastes" in Schleching, Schulstraße 4  
Tel. 08649-220

## Thursday 2 March

09:00

### **Main Speaker: Holger Gies (1) - The Renormalization group and Applications**

**Session** | **Location:** "Haus des Gastes" in Schleching, Schulstraße 4, Tel. 08649-220

10:15

09:00-10:15 **Holger Gies (1) - The Renormalization group and Applications**

10:45

### **Main Speaker: Mei Bai (1) - New developments in accelerator physics**

**Session** | **Location:** "Haus des Gastes" in Schleching, Schulstraße 4, Tel. 08649-220

12:00

10:45-12:00 **Mei Bai (1) New developments in accelerator physics**

## Friday 3 March

09:00

### **Main Speaker: Mei Bai (2) - New developments in accelerator physics**

**Session** | **Location:** "Haus des Gastes" in Schleching, Schulstraße 4, Tel. 08649-220

10:15

09:00-10:15 **Mei Bai (2) - New developments in accelerator physics**

10:45

### **Main Speaker: Holger Gies (2) - The Renormalization group and Applications**

**Session** | **Location:** "Haus des Gastes" in Schleching, Schulstraße 4, Tel. 08649-220

12:00

10:45-12:00 **Holger Gies (2) - The Renormalization group and Applications**

## Monday 6 March

09:00

### **Main Speaker: Holger Gies (3) - The Renormalization group and Application**

**Session** | **Location:** "Haus des Gastes" in Schleching, Schulstraße 4, Tel. 08649-220

10:15

09:00-10:15

**Holger Gies (3) - The Renormalization group and Applications**

10:45

### **Main Speaker: Mei Bai (3) - New developments in accelerator physics**

**Session** | **Location:** "Haus des Gastes" in Schleching, Schulstraße 4, Tel. 08649-220

12:00

10:45-12:00

**Mei Bai (3) - New developments in accelerator physics**

## Tuesday 7 March

09:00

### **Main Speaker: Hans-Thomas Janka (1) - Supernovae, Neutron Star mergers and the Ignition of Densed Matter**

**Session** | **Location:** "Haus des Gastes" in Schleching, Schulstraße 4, Tel. 08649-220

09:00-10:15

### **Hans-Thomas Janka (1) - Supernovae, Neutron Star mergers and the Ignition of Densed Matter**

10:15

18:30

### **Main Speaker: Hans-Thomas Janka (2) - Supernovae, Neutron Star mergers and the Ignition of Densed Matter**

**Session** | **Location:** "Haus des Gastes" in Schleching, Schulstraße 4, Tel. 08649-220

18:30-19:30

### **Hans-Thomas Janka (2) - Supernovae, Neutron Star mergers and the Ignition of Densed Matter**

19:30

## Wednesday 8 March

09:00

### **Main Speaker: Hans-Thomas Janka (3) - Supernovae, Neutron Star mergers and the Ignition of Densed Matter**

**Session** | **Location:** "Haus des Gastes" in Schleching, Schulstraße 4, Tel. 08649-220

10:15

09:00-10:15

### **Hans-Thomas Janka (3) - Supernovae, Neutron Star mergers and the Ignition of Densed Matter**
