

## **Session Program**

**2-9 Mar 2017**

## **Arbeitstreffen Kernphysik 2017**

***Libero***

"Haus des Gastes" in Schleching, Schulstraße 4  
Tel. 08649-220

## Saturday 4 March

09:00

### **Libero: Allen Caldwell - New developments in accelerator physics**

**Session** | **Location:** "Haus des Gastes" in Schleching, Schulstraße 4, Tel. 08649-220

10:15

09:00-10:15 **Allen Caldwell - New developments in accelerator physics**

10:45

### **Libero: Bengt Friman - The Renormalization group and Applications**

**Session** | **Location:** "Haus des Gastes" in Schleching, Schulstraße 4, Tel. 08649-220

12:00

10:45-12:00 **Bengt Friman - The Renormalization group and Applications**

## Thursday 9 March

09:00

### **Libero: Ani Aprahamian - Supernovae, Neutron Star mergers and the Ignition of Densed Matter**

**Session** | **Location:** "Haus des Gastes" in Schleching, Schulstraße 4, Tel. 08649-220

10:15

09:00-10:15

### **Ani Aprahamian - Supernovae, Neutron Star mergers and the Ignition of Densed Matter**
