

Session Program

6-10 Nov 2023

Condensed Complexity - The Essence of Information Processing and Cognition?

Session 2

FIAS, Lecture Hall
Ruth-Moufang-Str. 1 60438 Frankfurt am Main

Wednesday 8 November

11:00

Session 2: Biological Information Processing II

Session | **Location:** FIAS, Lecture Hall, Ruth-Moufang-Str. 1 60438 Frankfurt am Main

11:00–11:45

Cognition is a Form of Agency, not Computation

Speaker

Dr Johannes Jaeger

11:45–12:30

Understanding the energy cost of integrating information in a simple sensory neuron

Speaker

Prof. Benjamiin Machta

12:30
