Who are the Organizers?

Computer Applications in Nuclear and Plasma Sciences (CANPS)

- CANPS is a technical committee of the IEEE Nuclear and Plasma Sciences Society (NPSS).
  - Some 40 members globally representing our technical community.
  - The NPSS President (Vesna Sossi) is here to talk more about what we do.
  - ~15 CANPS members are here this week.
- International Centre for Interdisciplinary Science and Education (ICISE)
  - Our wonderful hosts - Vice Director Dr. Tran Son will make a short address this morning.
  - Many thanks to Professor Van and Recontres du Vietnam for making RT2024 possible here.
- Local organizers at VNU-HCM (Ho Chi Minh) University of Science
  - Tran Thanh, Vo Hai, Hoang Trang

Important Updates and Information

- Major Program Changes for Tuesday and Thursday
  - Poster and Mini-Oral sessions moved to the morning.
  - Please check your contribution on Indico. Let us know if we messed something up.

- Please upload your presentation materials to your Indico contribution on the day prior to when you present.
  - Poster presenters may want to take their poster down overnight. The wind can get strong.

- Mini-Oral participants should return to the auditorium at least 5 minutes before the start of their session.
  - Session chairs need time to organize

- IEEE Transactions on Nuclear Science (TNS) Senior Editor, Adriano Luchetta, will give a quick overview on the guidelines for publication in the IEEE Real Time special issue
