Session Program

Aug 1 – 5, 2022

23rd Virtual IEEE Real Time Conference

Invited Talk: Timepix detectors in Space: from radiation monitoring in low earth orbit to astroparticle physics

Fri, August 5

11:00 AM

Invited Talk: Timepix detectors in Space: from radiation monitoring in low earth orbit to astroparticle physics

Session

11:00 – 11:45 AM

Timepix detectors in Space: from radiation monitoring in low earth orbit to astroparticle physics

Speaker

BERGMANN, Benedikt

11:45 AM
