

FLASY 2024: the 10th Workshop on Flavor Symmetries and Consequences in
Accelerators and Cosmology

Contribution ID: 5

Type: **Parallel Sessions**

**An axion-like particle explanation of $B \rightarrow \pi K$ puzzle
and $B \rightarrow K \nu \bar{\nu}$ excess**

Authors: Prof. ALTMANNSHOFER, Wolfgang (UC Santa Cruz); ROY, Shibasis

Presenter: ROY, Shibasis

Session Classification: Flavor and Astrophysics
