

FLASY 2024: the 10th Workshop on Flavor Symmetries and Consequences in
Accelerators and Cosmology

Contribution ID: 10

Type: **Plenary Sessions**

Dirac neutrinos and parity solution to the strong CP problem

Wednesday 26 June 2024 14:00 (45 minutes)

Author: THAPA, Anil (University of Virginia)

Presenter: THAPA, Anil (University of Virginia)

Session Classification: Neutrinos
