

FLASY 2024: the 10th Workshop on Flavor Symmetries and Consequences in Accelerators and Cosmology

Contribution ID: 12

Type: **not specified**

Probing muon $g-2$ at Forward Detectors at LHC

Friday 28 June 2024 14:30 (30 minutes)

Author: MAMMEN ABRAHAM, Roshan (University of California Irvine (US))

Presenter: MAMMEN ABRAHAM, Roshan (University of California Irvine (US))

Session Classification: Flavor at Accelerators
