SEPnet Employer Panel Session

Thursday 11 July 2019 11:30 (1h 30m)

The SEPnet employer panel is aimed at raising awareness of career opportunities outside academia for physics doctorates. Panel representatives, all with physics or PhD backgrounds, will spend a few minutes outlining their role, what their organisation does, what skills/knowledge they are looking for and why they might be interested in physicists. The panel session will be followed by a Q&A session and an opportunity for students to talk to employers in small groups.
