

Session Program

27 June 2023

3rd. Workshop on Trasgo detectors. The New Generation

Cosmic Ray Physics with RPC detectors

Faculty of Physics. Univ. Santiago de Compostela, Sala de juntas
Avda. José María Suarez Nuñez s/n

Tuesday 27 June

09:35

Cosmic Ray Physics with RPC detectors

Session |**Location:** Faculty of Physics. Univ. Santiago de Compostela, Sala de juntas, Avda. José María Suarez Nuñez s/n |**Convener:** Teresa Kurtukian

09:35-10:30

The Trasgo project. Status report

Speaker

Juan A. Garzon

10:30-11:00

Cosmic Ray Physics with the HADES RPC ToF Wall

Speaker

Georgy Kornakov

11:00-11:20

PID with RPC detectors

Speaker

Pablo Cabanelas

11:20-11:40

Cargo container muography with a Trasgo detector

Speaker

Jose Cuenca

11:40
