

Exclusive hadronic tau decays within and beyond the Standard Model

Wednesday 29 September 2021 08:00 (25 minutes)

After a brief review of semileptonic tau decays in the Standard Model, I will discuss the usefulness of these channels in several new physics searches.

What is your topic?

Hadronic decays

Author: ROIG GARCÉS, Pablo (Cinvestav, Mexico)

Presenter: ROIG GARCÉS, Pablo (Cinvestav, Mexico)

Session Classification: Session 3: Exclusive and inclusive hadronic tau decays

Track Classification: Tau2021 Abstracts
